**Subject Matter Indicated Allowable**

Applicant gratefully acknowledges the indication of allowance of claims 7-10 subject to their re-writing in independent form. By the present Amendment, Applicant has amended claim 1 to include the subject matter of allowable claim 7. Furthermore, Applicant has added new independent claim 15 that is the combination of claim 1 and claim 8. Claims 16-18 are dependent upon claim 15 and add further limitations thereto. New independent claim 23 is the combination of original claim 1 with claim 10, while new claims 24-26 are dependent on new claim 23 and add further limitations thereto. As such, Applicants respectfully submit that independent claims 1, 15, 19 and 23 are in condition for allowance as being rewritten independent forms of respective claims 7-10.

**Conclusion**

In view of the preceding discussion, Applicant respectfully urges that the claims of the present application define patentable subject matter and should be passed to allowance.
